#### FOR IMMEDIATE RELEASE

#### Two Arrests After Robbery

Two persons were arrested this afternoon after a robbery of an individual occurred early this morning on Joann Lane in Marlow. The robbery victim, 19 year old Kendrick Harshaw of Knoxville, drove to the mobile home park shortly after midnight after exchanging messages both on the social networking site "meetme.com" and by cell phone texts with a person who identified themselves as a girl. After exiting his vehicle in search of the address, which does not exist, he was accosted by two men who assaulted him with a hammer and a ball bat and then robbed him of his cell phone. His wallet was also taken from his vehicle. Harshaw was treated at a Knoxville hospital for his injuries and the incident was reported to the Sheriff's Department.

Investigators with the Sheriff's Criminal Investigation Unit located the two suspects who were living nearby in a mobile home. After interviews both were charged in this incident after admitting the female profile on "meetme.com" was fake and their intent was to lure the victim to the location to commit the robbery.
