FOR IMMEDIATE RELEASE

Arrest After Burglary, Assault, & Carjacking

Sheriff's deputies today, Friday, January 30, arrested a 27 year-old Oliver Springs man after a series of crimes at a home on Talley Lane in the Marlow community. **John Joseph Pixley II** was arrested after the homeowner observed a truck on her surveillance cameras and a suspect, later identified as **Pixley**, was seen walking around her residence. The owner called the Sheriff's Communications Center around 8:30am this morning to report the incident, left work, and drove home. Upon arriving, **Pixley** was seen leaving with items from the residence in the bed of his truck. As the driveway was only wide enough for one car, **Pixley** attempted to drive around the homeowner's car but instead went up an embankment and overturned, striking her car. A co-worker of the homeowner also arrived driving his tow truck. **Pixley** broke out his own window, climbed out, ran to the tow truck, and, after a fight with the co-worker, drove away stealing the tow truck. Several deputies responded to this call and the stolen tow truck description was broadcast to area law enforcement agencies. A short time later the truck was spotted by officers from the Oliver Springs Police Department and was stopped where **Pixley** was taken into custody by deputies who had arrived to assist the Oliver Springs Police.
